Investing in Children, Creating Sustainable Impact

A Partnership for a Brighter Tomorrow

Children are the foundation of our nation's future. Investing in their health, education, safety, and well-being is not merely an act of charity—it is an investment in a stronger, healthier, and more inclusive society.

Child Vision Foundation is committed to supporting vulnerable children and families who face barriers to essential healthcare, education, and basic resources. We believe that every child deserves equal opportunities to grow, learn, and reach their full potential, regardless of their financial circumstances.

Through our initiatives, we aim to address critical needs by supporting life-saving medical treatments, promoting preventive healthcare, improving access to menstrual hygiene and essential care for girls, and helping children pursue education and a better quality of life.

We invite corporates, CSR teams, institutions, and individual philanthropists to join us in creating meaningful and sustainable social impact.

Our Areas of Focus

Healthcare: Assistance for children requiring critical and life-saving medical treatment.
Education: Support for children's learning and educational opportunities.
Preventive Healthcare: Awareness initiatives that encourage early intervention and healthier lives.
Menstrual Hygiene: Promoting awareness, dignity, and access to essential hygiene resources for girls.
Child Well-being: Helping vulnerable children and families access essential support and opportunities.

Why Partner with Us?

Your CSR partnership can help extend essential services to underserved communities, address urgent needs, and create opportunities for children who might otherwise be left behind. We welcome collaboration through financial contributions, program partnerships, employee engagement, and other forms of support aligned with our mission.

Let us work together to turn compassion into measurable impact and create a future where every child has the opportunity to thrive.

Partner with Child Vision Foundation.
Invest in Children. Build a Better Tomorrow.

Best Wishes & Regards
Suraj N. Gehlot

Vision Mission

CHILD VISION FOUNDATION

Our Mission

To contribute towards building a better India where every citizen has access to basic healthcare, quality education, and opportunities for empowerment. We strive to serve as a knowledge and implementation partner for schools, NGOs, corporates, and government agencies in delivering effective development programmes across India.

We are committed to strengthening the capacity of education-focused NGOs to achieve sustainability, scalability, and the delivery of quality education to every child.

Our Vision

To become a strategic leadership organization that inspires and influences social transformation through impactful and sustainable development programmes.

We envision an inclusive India where every individual has the opportunity to live with dignity, access essential services, acquire knowledge, and realize their full potential.

We aspire to strengthen civil society by supporting a global community of informed, empowered, and committed NGOs that actively contribute to collaborative decision-making and development initiatives, including engagement with the United Nations, to promote a world founded on economic and social justice.

Awareness Campaign

CHILD VISION FOUNDATION

Promoting Prevention Through Awareness

During **FY 2022–23**, Child Vision Foundation continued its commitment to preventive healthcare by educating communities about disease prevention and healthy living. Our awareness initiatives reached communities across Maharashtra, Telangana, Rajasthan, Gujarat, and Jharkhand.

We conducted awareness sessions on Cancer, Congenital Heart Defects (CHD), Kidney Failure, and the harmful effects of tobacco through interactive programmes, educational materials, banners, and short documentaries.

Key Achievements:

35 major health awareness drives conducted
300–350 people reached per drive
Approximately 12,000 individuals benefited

Through these efforts, we aimed to build health awareness, encourage early action, and empower individuals to make informed decisions for healthier lives.

Happy Movement

CHILD VISION FOUNDATION

Transforming Lives Through Education and Healthcare

During the year, Child Vision Foundation continued to create positive change by supporting children's education and improving access to healthcare

Key Achievements

2000+ children supported through educational resources, guidance, and mentorship.

1500+ individuals benefited from medical camps, consultations, and awareness programmes.

A student shared, “I enjoy going to school now and want to continue my studies to build a better future.”

A healthcare beneficiary expressed, **“I received treatment at the right time, and today I feel healthy and relieved.”** These stories represent the real impact of our work—creating opportunities, improving well-being, and inspiring hope for a better tomorrow.

Art Masti

CHILD VISION FOUNDATION

Art Masti – Learning Through Art, Growing Through Joy

Art Masti brought creativity, happiness, and joyful learning to children from underserved communities. Through drawing, painting, craftwork, and storytelling, children were encouraged to explore their imagination, express themselves freely, build confidence, and develop social and communication skills.

The initiative also supported children's emotional well-being by creating a safe, welcoming, and inclusive environment where they could learn, interact, and grow together. After conducting surveys and finalizing the beneficiary list, our NGO implemented activities across different parts of

Maharashtra, Telangana, and Rajasthan, benefiting nearly 8,000 children and their parents.

Art Masti is a step towards nurturing confident children, encouraging joyful learning, and creating brighter futures through education, creativity, and well-being.

Medical Support

CHILD VISION FOUNDATION

Medical Support – Bringing Healthcare Within Reach

Access to timely healthcare is essential for every child's growth, education, and overall development. Through our Medical Support initiative, Child Vision Foundation worked to bridge healthcare gaps for children from underserved communities by providing essential medical and financial assistance.

During the year, **approximately 70 children** benefited from medical support worth **₹5,69,095** Assistance included diagnostic services, medicines, nutritional supplements, health check-ups, medical camps, and referrals for specialized care based on individual needs.

Beyond treatment, the initiative emphasized preventive healthcare by spreading awareness about hygiene, sanitation, nutrition, and healthy daily practices among children and their families. This combined approach helped address immediate health concerns while encouraging long-term health awareness.

The initiative reflects our commitment to building healthier communities by supporting vulnerable children and helping reduce financial barriers to essential medical care. By investing in children's health, we are contributing to their well-being, educational participation, and opportunities for a brighter future.

Lets Talk Menstruation

CHILD VISION FOUNDATION

Approximately 2000 girls benefited
₹ 13 Lakh invested in the initiative
Increased access to essential menstrual hygiene supplies and educational awareness
Encouragement of dignity, confidence, and healthier menstrual practices

Every girl deserves access to menstrual hygiene products, accurate health information, and a safe environment in which to manage menstruation with dignity. Yet, many girls from underserved communities face barriers that affect their health, confidence, and participation in education.

Child Vision Foundation launched the “Let’s Talk Menstruation” campaign to improve menstrual hygiene awareness and access to essential hygiene supplies among adolescent girls in slum communities and government schools. Through the distribution of sanitary pads and hygiene kits, along with awareness and educational activities, the initiative helped girls understand menstrual health, adopt hygienic practices, and speak more openly about menstruation.

Beyond material support, the campaign sought to break the silence surrounding menstruation and encourage girls to become informed advocates for menstrual health within their families and communities. With the support of donors and partners, Child Vision Foundation aims to continue building a future where menstrual hygiene is not a barrier to health, education, or equal opportunities for girls.

Education Support

CHILD VISION FOUNDATION

Educational Support – Empowering Every Child to Learn

Child Vision Foundation's Educational Support initiative helps children from underserved communities access educational resources and pursue their dreams. The program prioritizes vulnerable children, including orphans, children from single-parent families, and those facing financial difficulties.

During the year, approximately **1000** children benefited from educational assistance, supported by a total investment of **₹ 7,15,799.**

The initiative provided school supplies, uniforms, study materials, remedial learning, and mentoring support to help children overcome educational challenges. It also encouraged confidence, motivation, and emotional well-being through a supportive learning environment.

By helping children stay engaged in their studies and access essential educational resources, we strive to create a future where financial hardship does not stand in the way of learning.

Together, we can empower young minds, nurture potential, and build a brighter future through education.

Disabled Support

CHILD VISION FOUNDATION

Disability Support – Every Ability Deserves an Opportunity

Child Vision Foundation's Disability Support initiative promotes dignity, independence, and inclusion for persons with disabilities by helping address their practical, educational, and social needs.

The program supports access to services and resources such as physiotherapy, mobility aids, vision and hearing devices, and customized learning materials. Through awareness campaigns and community workshops, we also work to reduce social stigma, promote disability rights, and encourage inclusive communities.

With a reported expenditure of **₹ 13 Lakh** the initiative benefited approximately **2500** persons with disabilities, with support from external partners.

Our goal is to help individuals overcome barriers, participate more actively in society, and access opportunities to learn, grow, and live with dignity.

Together, let's build a world where inclusion is a right and equal opportunity is a reality for everyone.

CHILD VISION FOUNDATION

Festivals and Celebrations

Festivals bring people together, strengthen relationships, and create lasting memories. However, children and families from underserved communities may have limited opportunities to participate in festive celebrations. Child Vision Foundation's Festivals and Celebrations initiative seeks to bridge this gap by creating joyful and inclusive experiences for communities across India.

During the year, we celebrated Independence Day, Republic Day, Holi, Diwali, New Year, Christmas, and Eid, along with special occasions such as our donors' birthdays. With an expenditure of approximately **₹ 8 Lakh** the initiative reached around **2500** individual.

Through games, cultural performances, festive treats, and community activities, we encouraged children to participate, interact, and celebrate together. These events promoted emotional well-being, cultural understanding, social bonding, and a stronger sense of belonging.

The inclusion of donor birthday celebrations further strengthened relationships between supporters and the communities they help serve, encouraging a culture of appreciation and shared happiness.

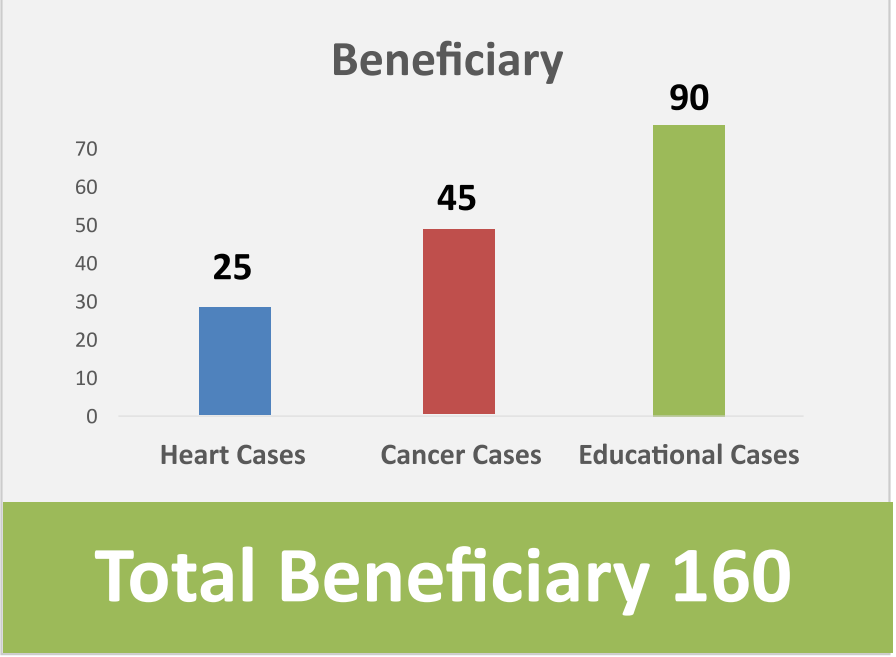
This initiative reflects our commitment to ensuring that every child has opportunities to experience joy, celebrate diversity, and feel valued within their community.

Beneficiary View – Every Life Matters

CHILD VISION FOUNDATION

At Child Vision Foundation, every beneficiary represents a story of hope, resilience, and opportunity.
During the reporting year, we continued supporting children and families from underserved communities through healthcare assistance, educational support, and other essential services. Our efforts focused on addressing immediate needs, promoting well-being, and helping beneficiaries move towards a brighter future.

By listening to communities and responding to their needs, we remain committed to creating meaningful change and ensuring that every individual has the opportunity to live with dignity, confidence, and hope.
Every life we touch brings us one step closer to a healthier, more educated, and inclusive society.



Total Beneficiary 160

Beneficiary Feedback

Feedback from beneficiaries highlights the positive difference made by Child Vision Foundation's initiatives. Timely support, clear communication, and compassionate assistance have helped individuals and families access essential services, overcome challenges, and move towards a more secure future. Their feedback encourages us to continue improving our programs and strengthening community impact.

Healthcare Support

Enabled beneficiaries to receive timely medical assistance, health guidance, nutrition and ration distribution support for better tomorrow.

Cancer Care

Provided assistance to patients requiring specialised care, helping reduce financial and emotional burdens on their families

Awareness Campaign

People in need and surffering various diseases issues from were educated to maintain highgn for better tomorrow.
